SPECIFICATIONS

Gas fueled Churrasco CHAR Broiler is available in single tier configurations with 4 accommodating sizes: 36" [900mm], 48" [1200mm] each with rotating spits.

A dependable and tested industrial gear motor offers years of uninterrupted operation of the rotating spits while full adjustability is offered in the independent height adjustable grate system and adjustable air vents.

To ensure performance and longevity these units are constructed entirely of 304 Stainless Steel, contain a Ceramic Insulated exterior and a Ceramic Brick lined cooking interior.

Also included with each unit are Ash pit boxes, 4 each Swivel 6" casters (2 locking) and a 3/4" NG gas connection with regulator. Included accessories are: Grill Cleaning kit.
