INSTALLATION INSTRUCTIONS

1. A properly sized gas line must be provided. All units are internally regulated. DO NOT DUAL REGULATE.
2. An adequate ventilation system is required for commercial use. DO NOT ATTEMPT TO OPERATE THIS EQUIPMENT WITHOUT IT.
3. Observe all Local and national codes.
4. Proper combustion requires this unit to remain on casters or legs. If a curb installation is preferred please contact CHAR products for information in doing so.
5. This appliance is manufactured for commercial use ONLY. It is NOT intended for Residential indoor use.
6. We upgrade our products regularly and in doing so materials and specifications are subject to change without notice.
