SPECIFICATIONS

CHAR Products has over 20 years experience designing, engineering and manufacturing Wine Display cases. Our products reside all over the United States, in some of the most prestigious establishments.

Each display is custom designed to each clients specifications. Every client option request is taken and engineered into the design. Each element is evaluated for performance and conformity to ETL/NSF7/UL safety standards. Each case is tested and certified at our facility before shipment.

Contact our sales team and see what we can do for your next Wine Display case project.

- Must select Self contained (SC) or Remote Refrigeration (RR)
- Refrigerant will be R404A/R448A in all self contained units
- Consult factory for custom sizes
- Engineering collaboration with factory required on (RR) units
