

PARILLA GAS FUELED GRILL

SPECIFICATION SHEET

SPECIFICATIONS

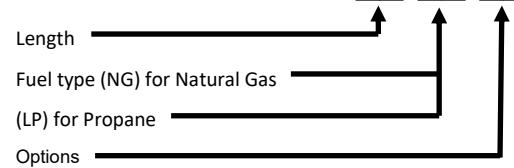

The CHAR Parilla Grill is manufactured to precise standards using 304 stainless steel full body construction and heavy duty support frame. Operator safety and comfort is strengthened through the use of ceramic lined exterior panels that prevent heat transfer. Enhanced cooking performance is achieved through the use of Stainless Steel Gas Burners. The Parilla Grill is available in 36", 48", 60" and 72" lengths to fit your needs.

- Please see spec sheets for cabinets and bases.
- Must select length 36", 48", 60", 72"
- Must select fuel type (LP) for Propane (NG) for Natural Gas
