ROUND BROILER NON-ROTATIONAL

SPECIFICATION SHEET

48" MODEL CP-RB-48
WITH OPTIONAL PLATE SHELF

SPECIFICATIONS

The CHAR® Round Broiler uses gas fuel. Available in 38", 48", and 60" diameters. The unit serves as a heavy duty broiler and can function as a griddle when equipped with optional high polished 1" thick removable stainless steel griddle plates. These units are equipped with heavy duty cast iron lift out radiants and burners. To ensure peak performance and longevity, these units are constructed entirely out of 304 stainless steel and contain a ceramic cloth insulated exterior.

INSTALLATION INSTRUCTIONS

1. A properly sized gas line must be provided. All units are internally regulated. DO NOT DUAL REGULATE.
2. An adequate ventilation system is required for commercial use. DO NOT ATTEMPT TO OPERATE THIS EQUIPMENT WITHOUT IT.
3. Observe all local and national codes.
4. Proper combustion requires this unit to remain on casters or legs. If a curb installation is preferred, please contact CHAR Products for information in doing so.
5. This appliance is manufactured for commercial use ONLY. It is NOT intended for residential indoor use.
6. We upgrade our products regularly and in doing so, materials, specifications, and model numbers are subject to change without notice.
